# ***COSMOS GRATUITY REVENUE -20% : HOW IT WORKS***

By Activating on each Planet, you will open up A Spot In Different Global Auto Pool..

Your Global First Two partners filled spots are Located on your first Orbit

**Activating Planet Upgrade means the Gratuity Revenue.**

**When Any Third Global Believer Upgrade Same Planet.**

your first orbit is already full, so he fills spot on your second orbit

The first orbit of your Global Partners is your Second Orbit

**Thus the Global Pool is Connected.**

The background features a complex network diagram. It consists of multiple concentric circles, each containing a grid of small nodes. These nodes are interconnected by a web of lines, creating a dense, circular pattern that resembles a digital or social network. The color scheme is primarily dark blue and teal, with some nodes highlighted in orange and yellow.

## ***COSMOS GRATUITY REVENUE***

By inviting new Believers, All Global believers will fill your and others Matrix and all will Recycle Automatically after completing 5 Orbits.

In your first line, only two spots can be filled, automatically and Globally.

Under each of these, there can also be only two.

# ***Behind The Mechanism of Gratuity Revenue***

Gratuity Revenue is all lines of structure;  
it can be filled infinitely in-depth, and  
when it is filled, you will get a new  
positioning depth.

But it is limited in width

The rule is that in the first line, everyone  
can only have two spots, and further,  
each line deeper can have twice as  
many spots as the previous one.

## ***COSMOS GRATUITY REVENUE***

The Global Autopool Consist Of  
5 Orbits. On Each CosMos Planet.

The Spot lines up on orbits only for  
those Global Participants who have the  
corresponding Cosmos Planets.

## ***GLOBAL SPILLOVER TO EVERY ONE***

- Your Direct Believers Members
- Spillover from your downline team.
- Spillover from Upline
- Spillover from Cross leg team

You can fill in structures for yourself and each other with the whole global community. These are spillovers. For instance, your upline invited a participant to join your global matrix. There can also be spillovers from below if participants placed in your global pool invite others who also end up in your global gratuity revenue pool.

Working in a team with spillovers depends on your team, The Global Teams, and the Teams of your upline and downline partners. Nevertheless, the possibility of achieving success in developing your team is in your hands in any case.

## ***GRATUITY (PASSIVE) REVENUE FROM EACH TIER OF AUTO POOL STRUCTURE.***

When other Believers fill your global matrix,  
you Receive From

1st Tier - 5.00%

2nd Tier - 10.00%

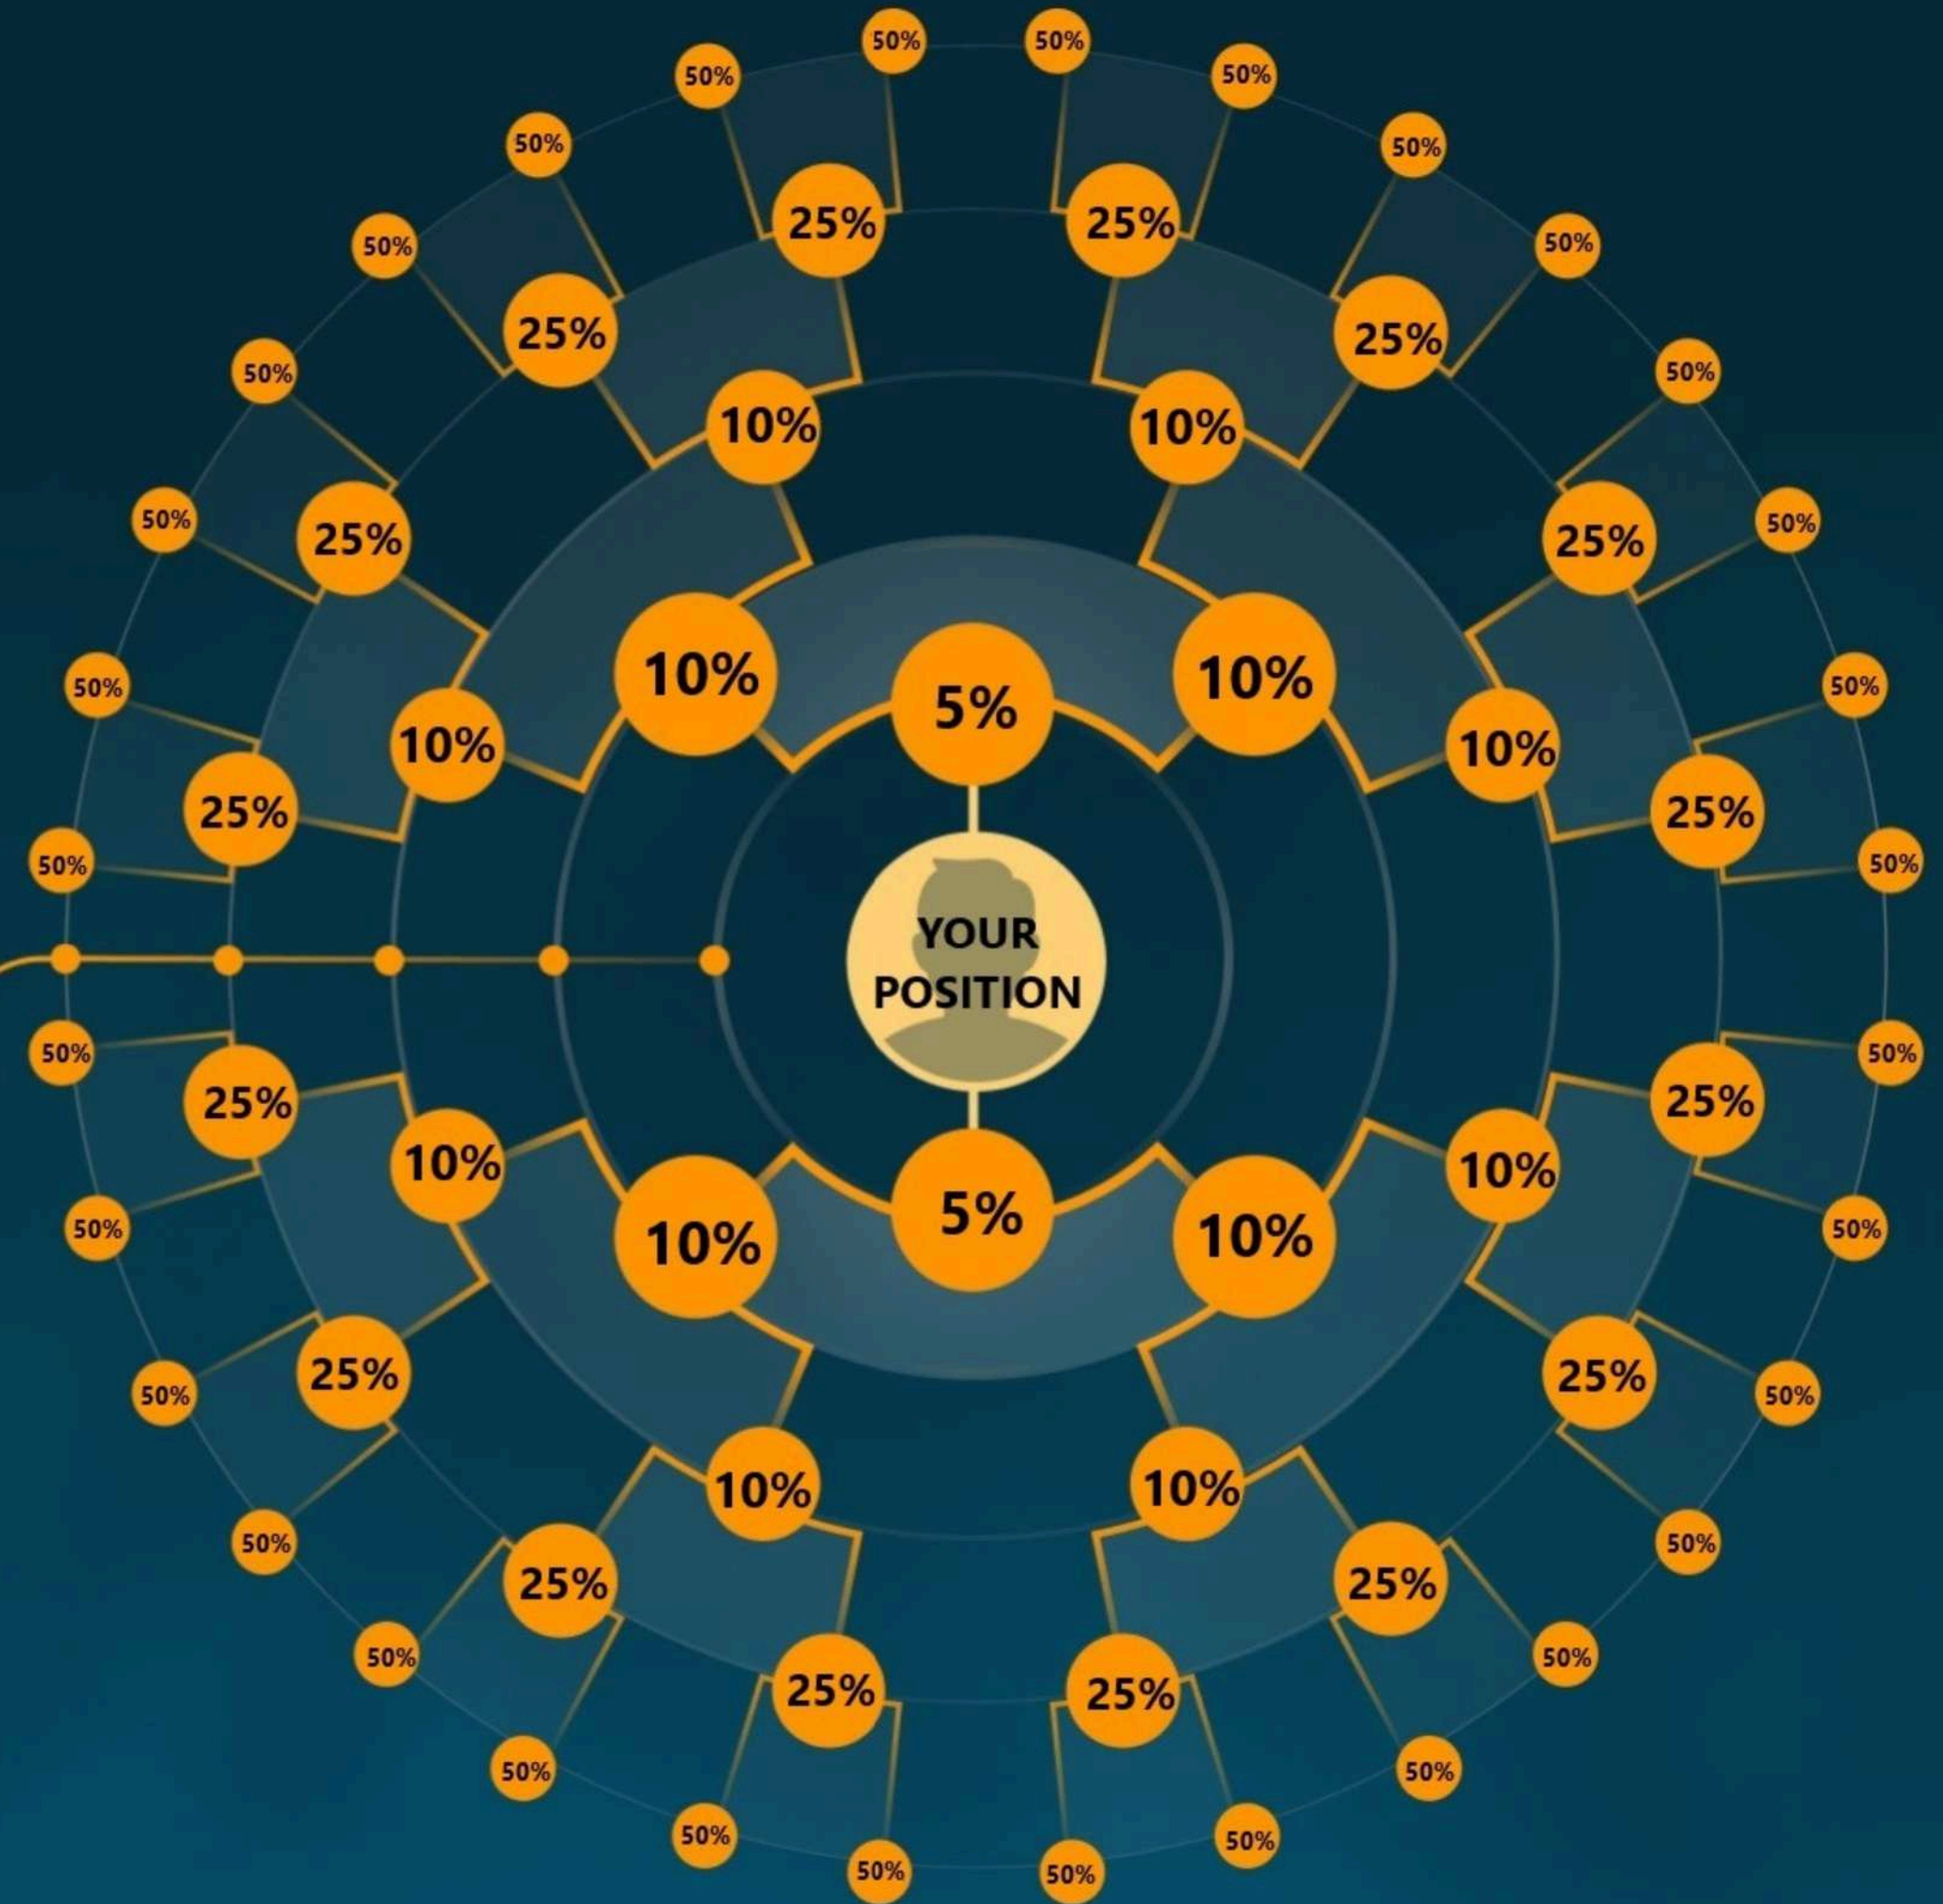

3rd Tier - 10.00%

4th Tier - 25.00%

5th Tier - 50.00%

From each of them up to the 5th Orbit.

The amount of Distribution in the Global  
Matrix from the 1st to the 10th Planet is  
20% out of 100% From Each

# ***COSMOS NETWORK*** ***(Gratuity Revenue)***

## **GRATUITY REVENUE**

20% Of the 1st to 10th **CosMos Network Planet Packages** amount goes to fill the **Gratuity Revenue** Globally and Recycle Every time Automatically and infinity Time

**From All Planets -**

The last **10 Payments** will go to Recycle  
Your new position

# GRATUITY REVENUE
