# COSMOS GRATUITY REVENUE -20% : HOW IT WORKS

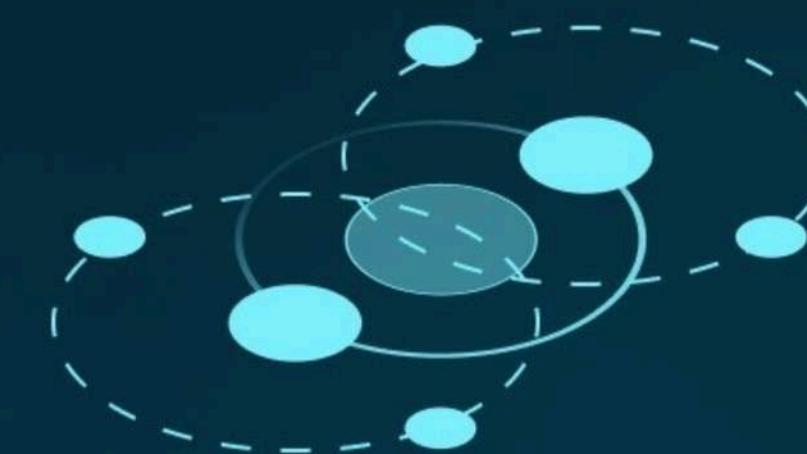

By Activating on each Planet, you will open up A Spot In Different Global Auto Pool..

Your Global First Two partners filled spots are Located on your first Orbit

**When Any Third Global Believer Upgrade Same Planet.**

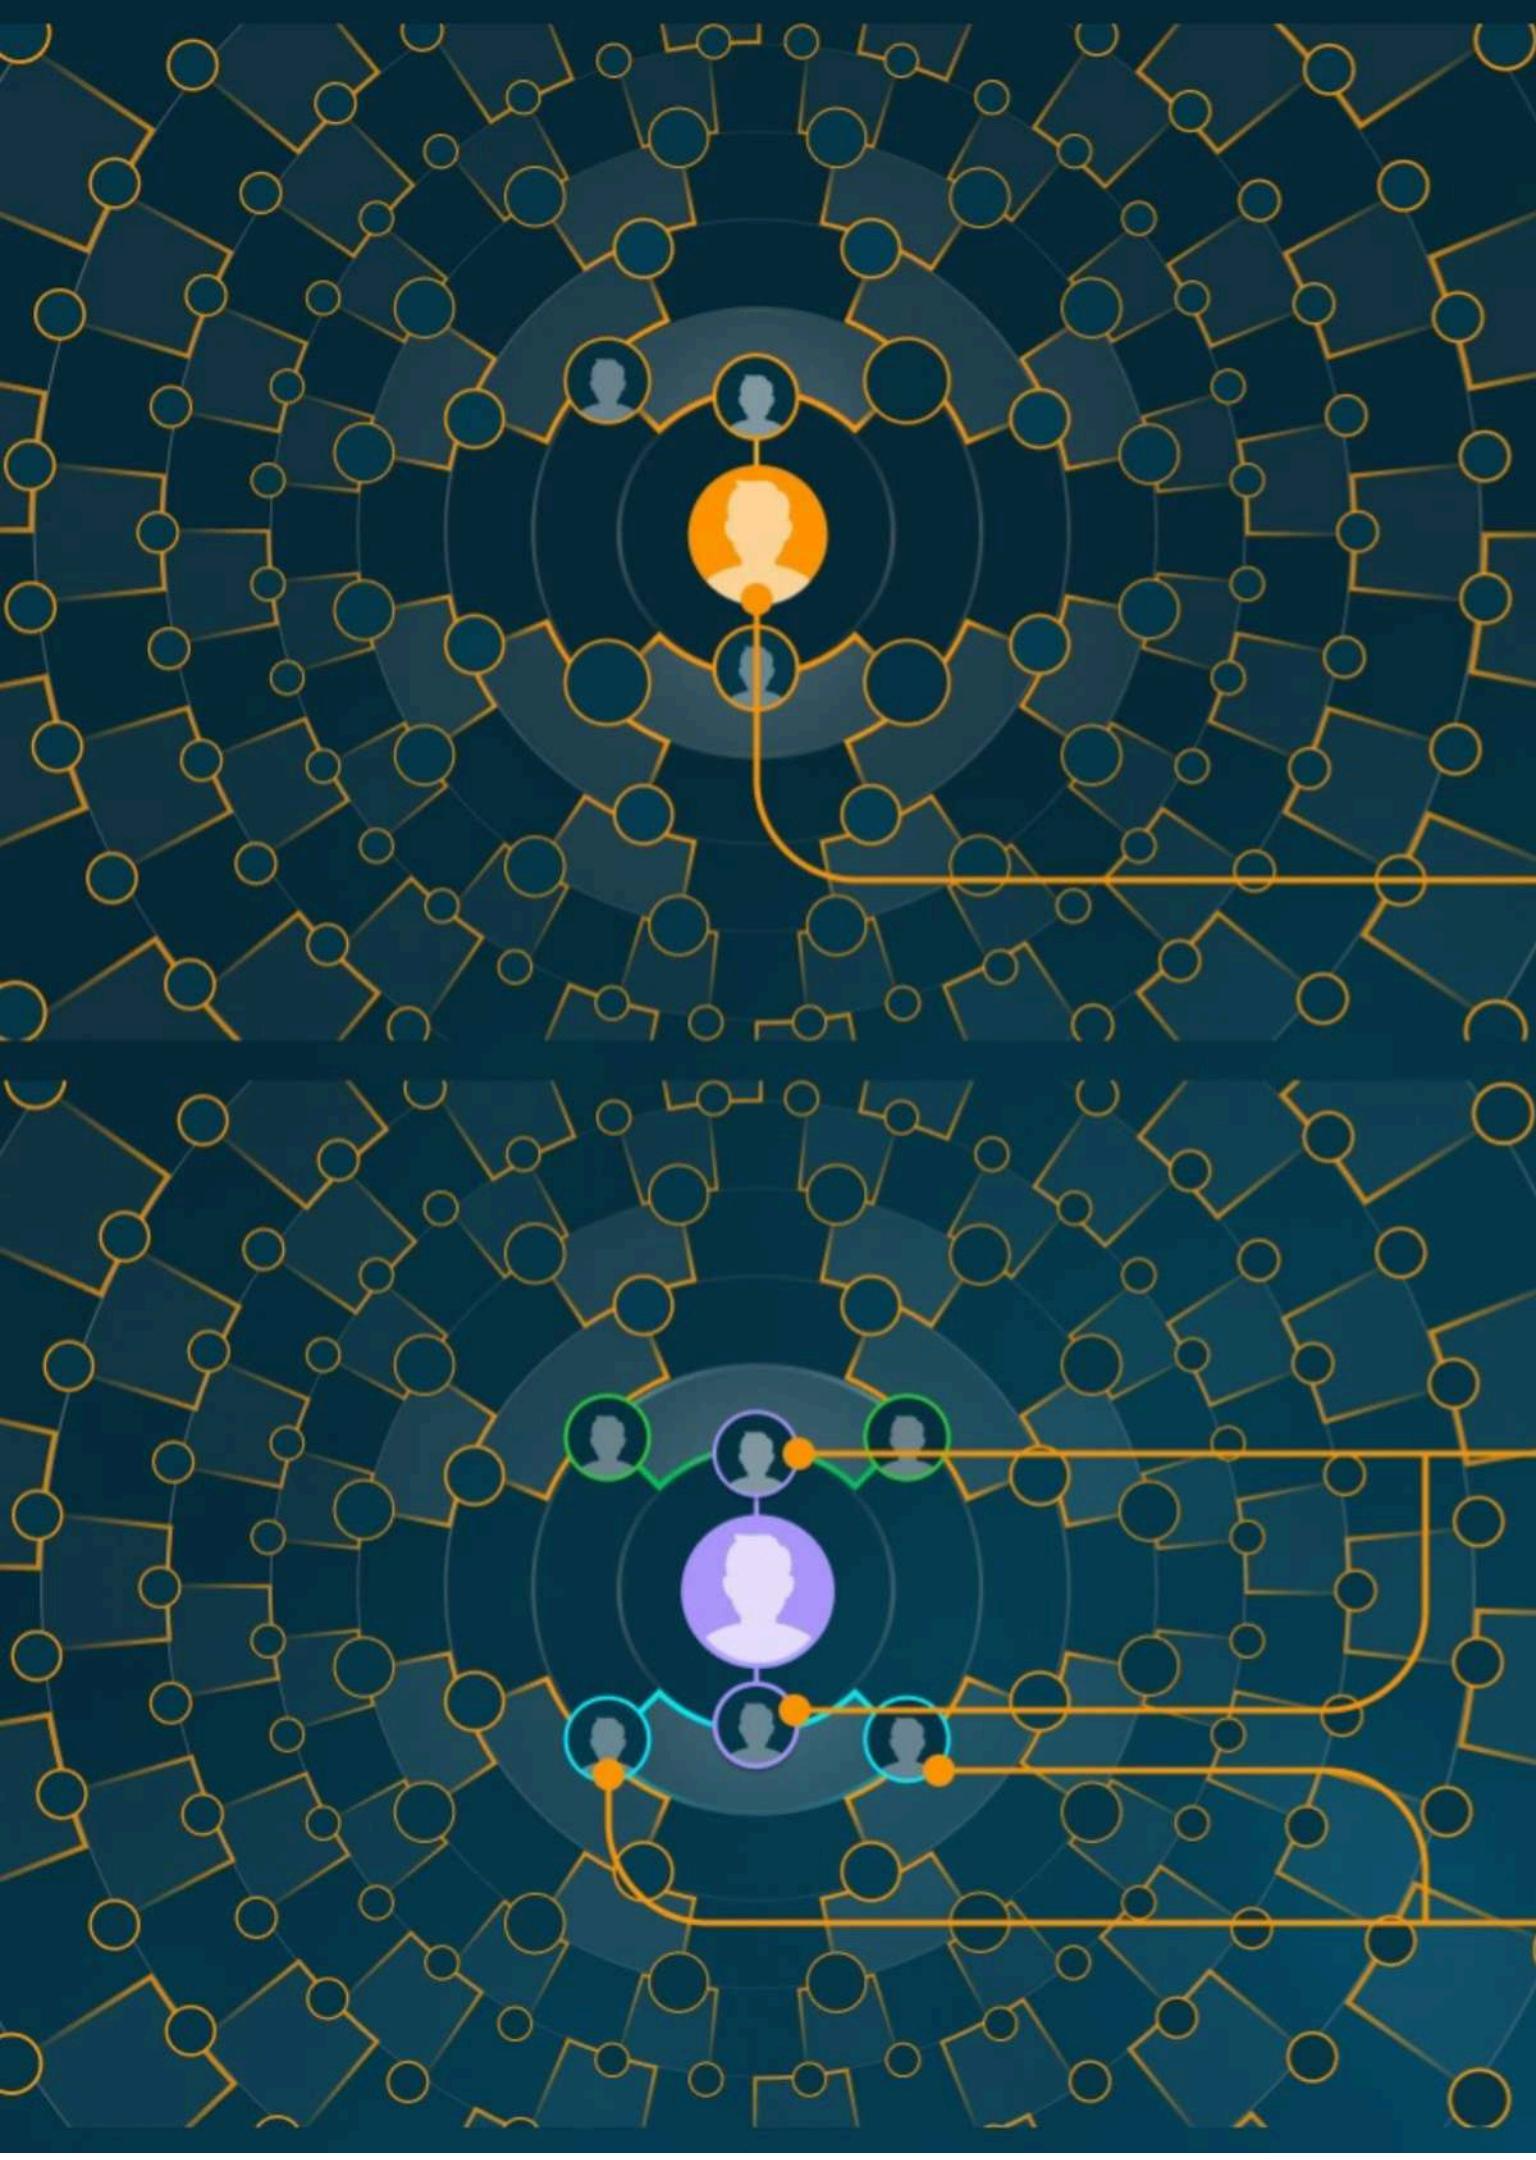

your first orbit is already full, so he fills spot on your second orbit

The first orbit of your Global Partners is your Second Orbit

**Activating Planet Upgrade means the Gratuity Revenue.**

Thus the Global Pool is Connected.

## COSMOS GRATUITY REVENUE

By inviting new Believers, All Global believers will fill your and others Matrix and all will Recycle Automatically after completing 5 Orbits.

In your first line, only two spots can be filled, automatically and Globally.

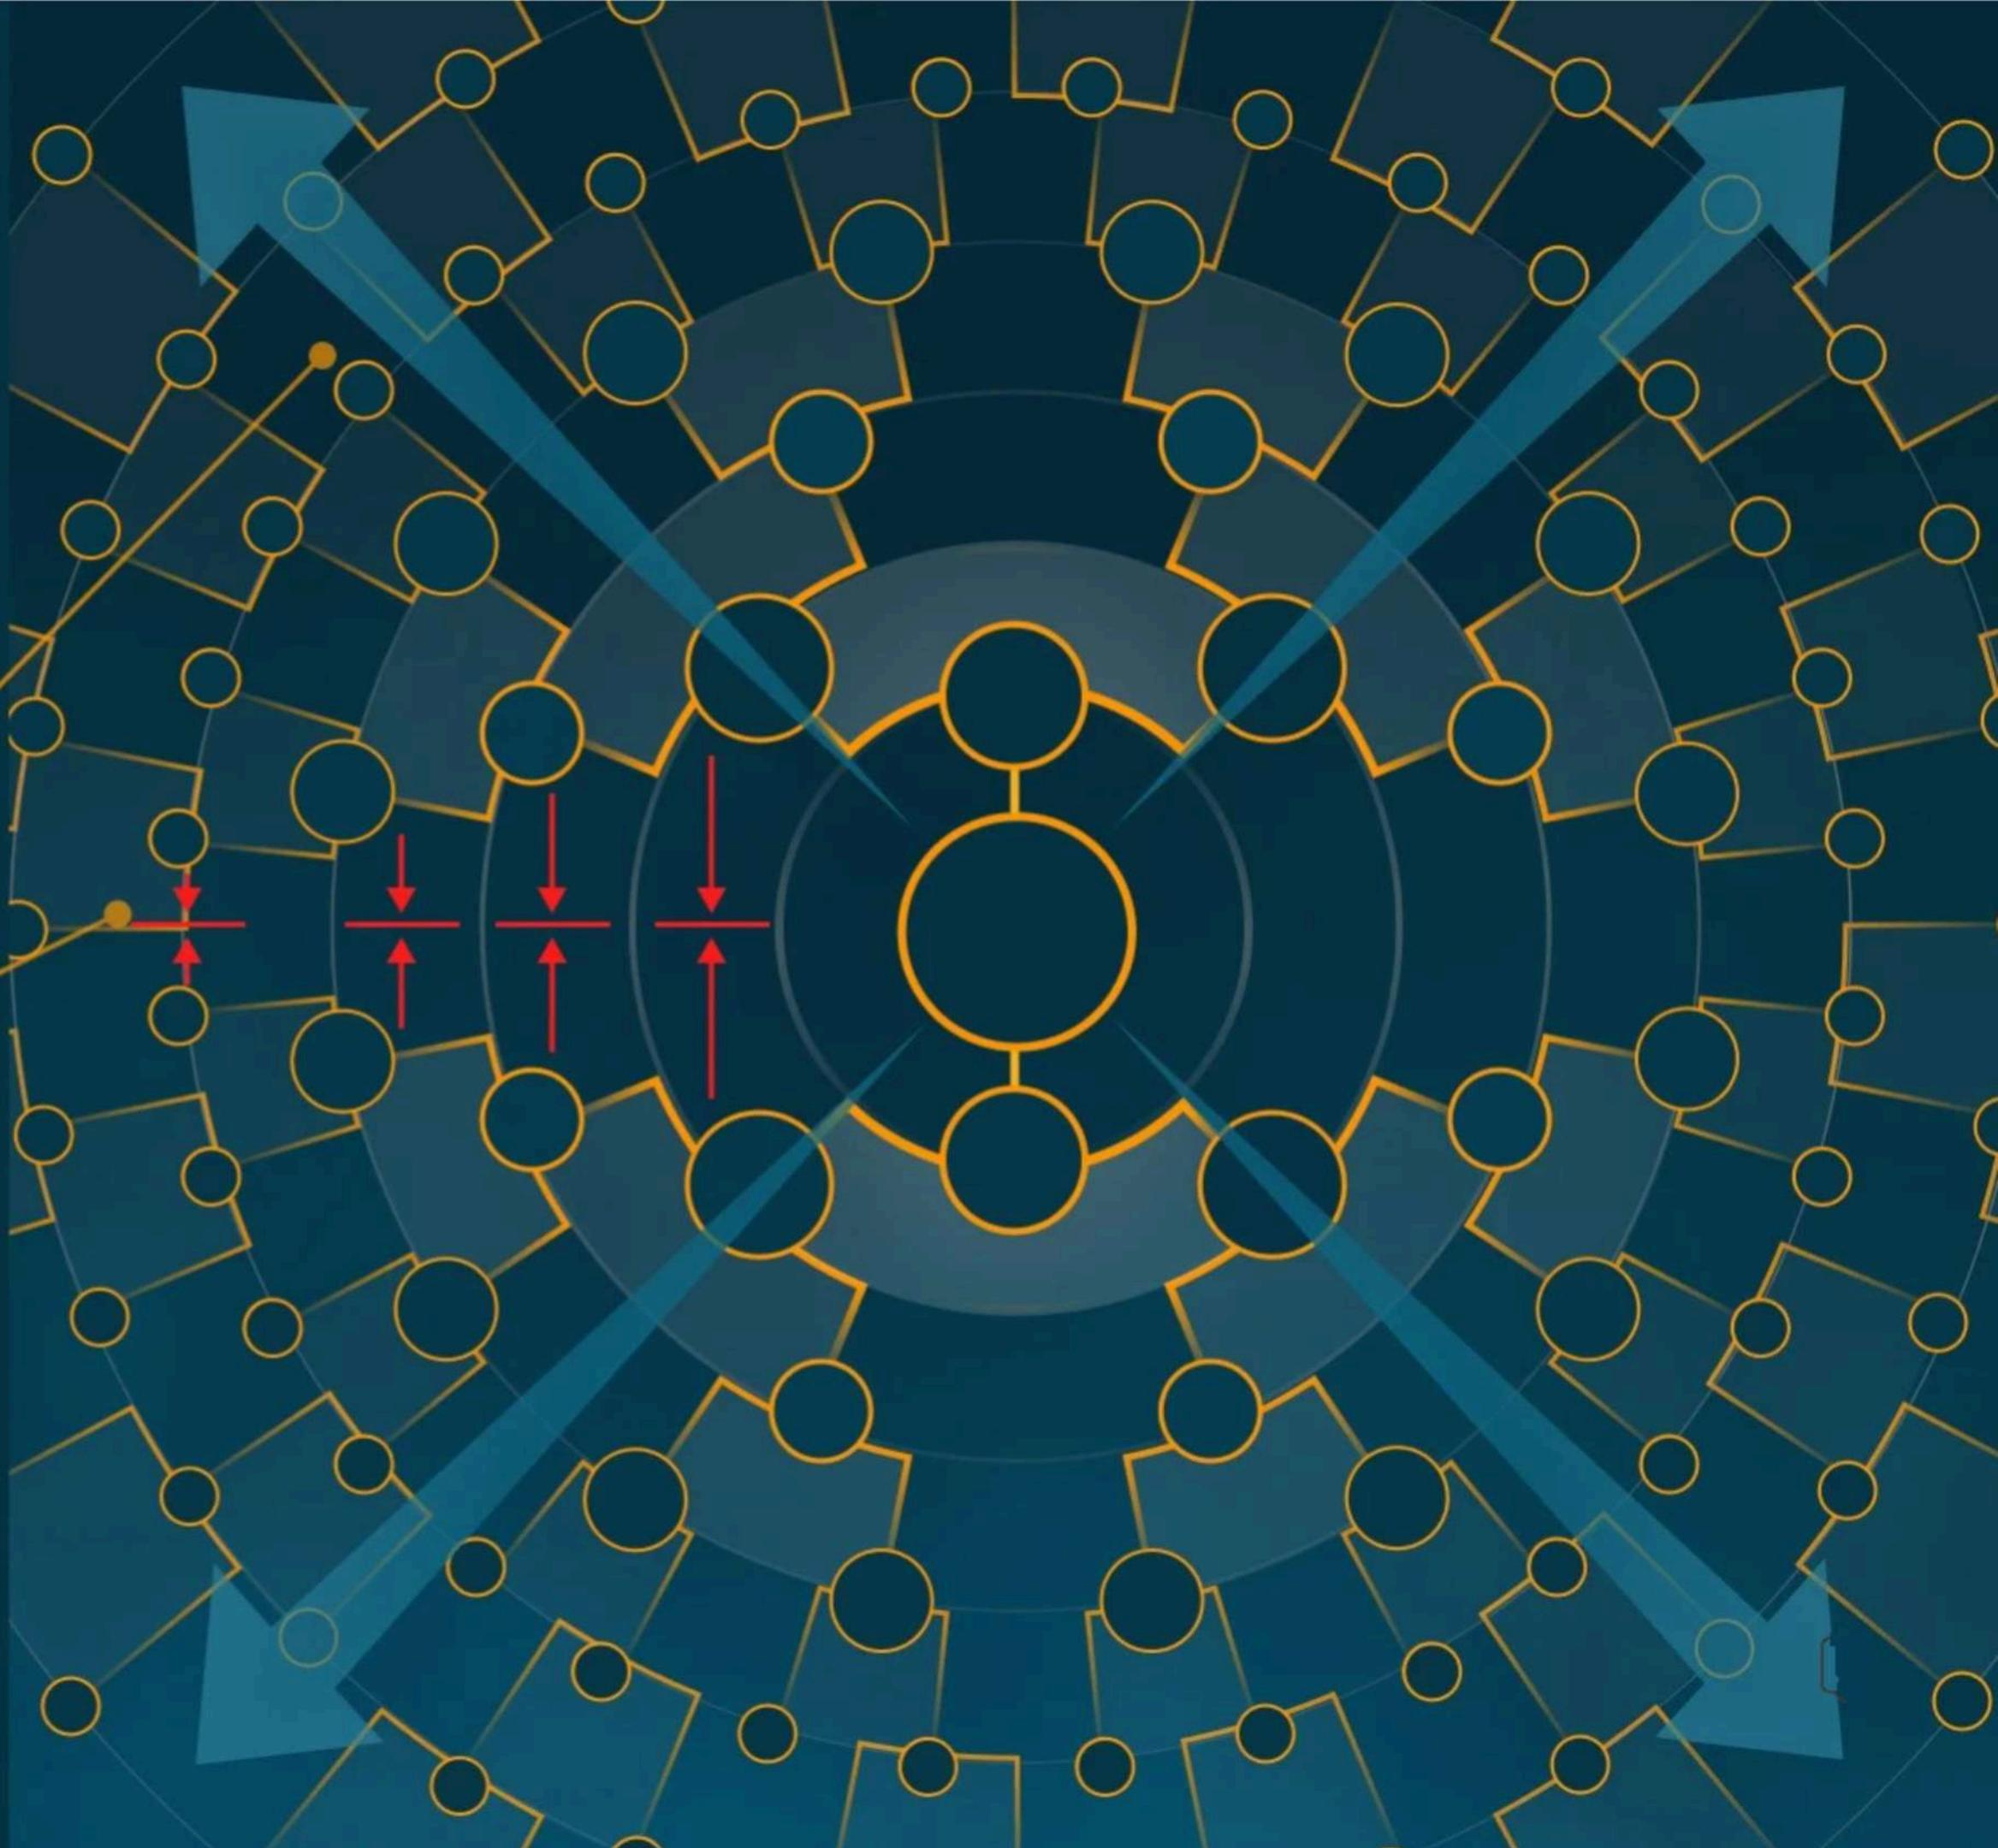

Under each of these, there can also be only two.

# ***Behind The Mechanism of Gratuity Revenue***

Gratuity Revenue is all lines of structure; it can be filled infinitely in-depth, and when it is filled, you will get a new positioning depth.

But it is limited in width

The rule is that in the first line, everyone can only have two spots, and further, each line deeper can have twice as many spots as the previous one.

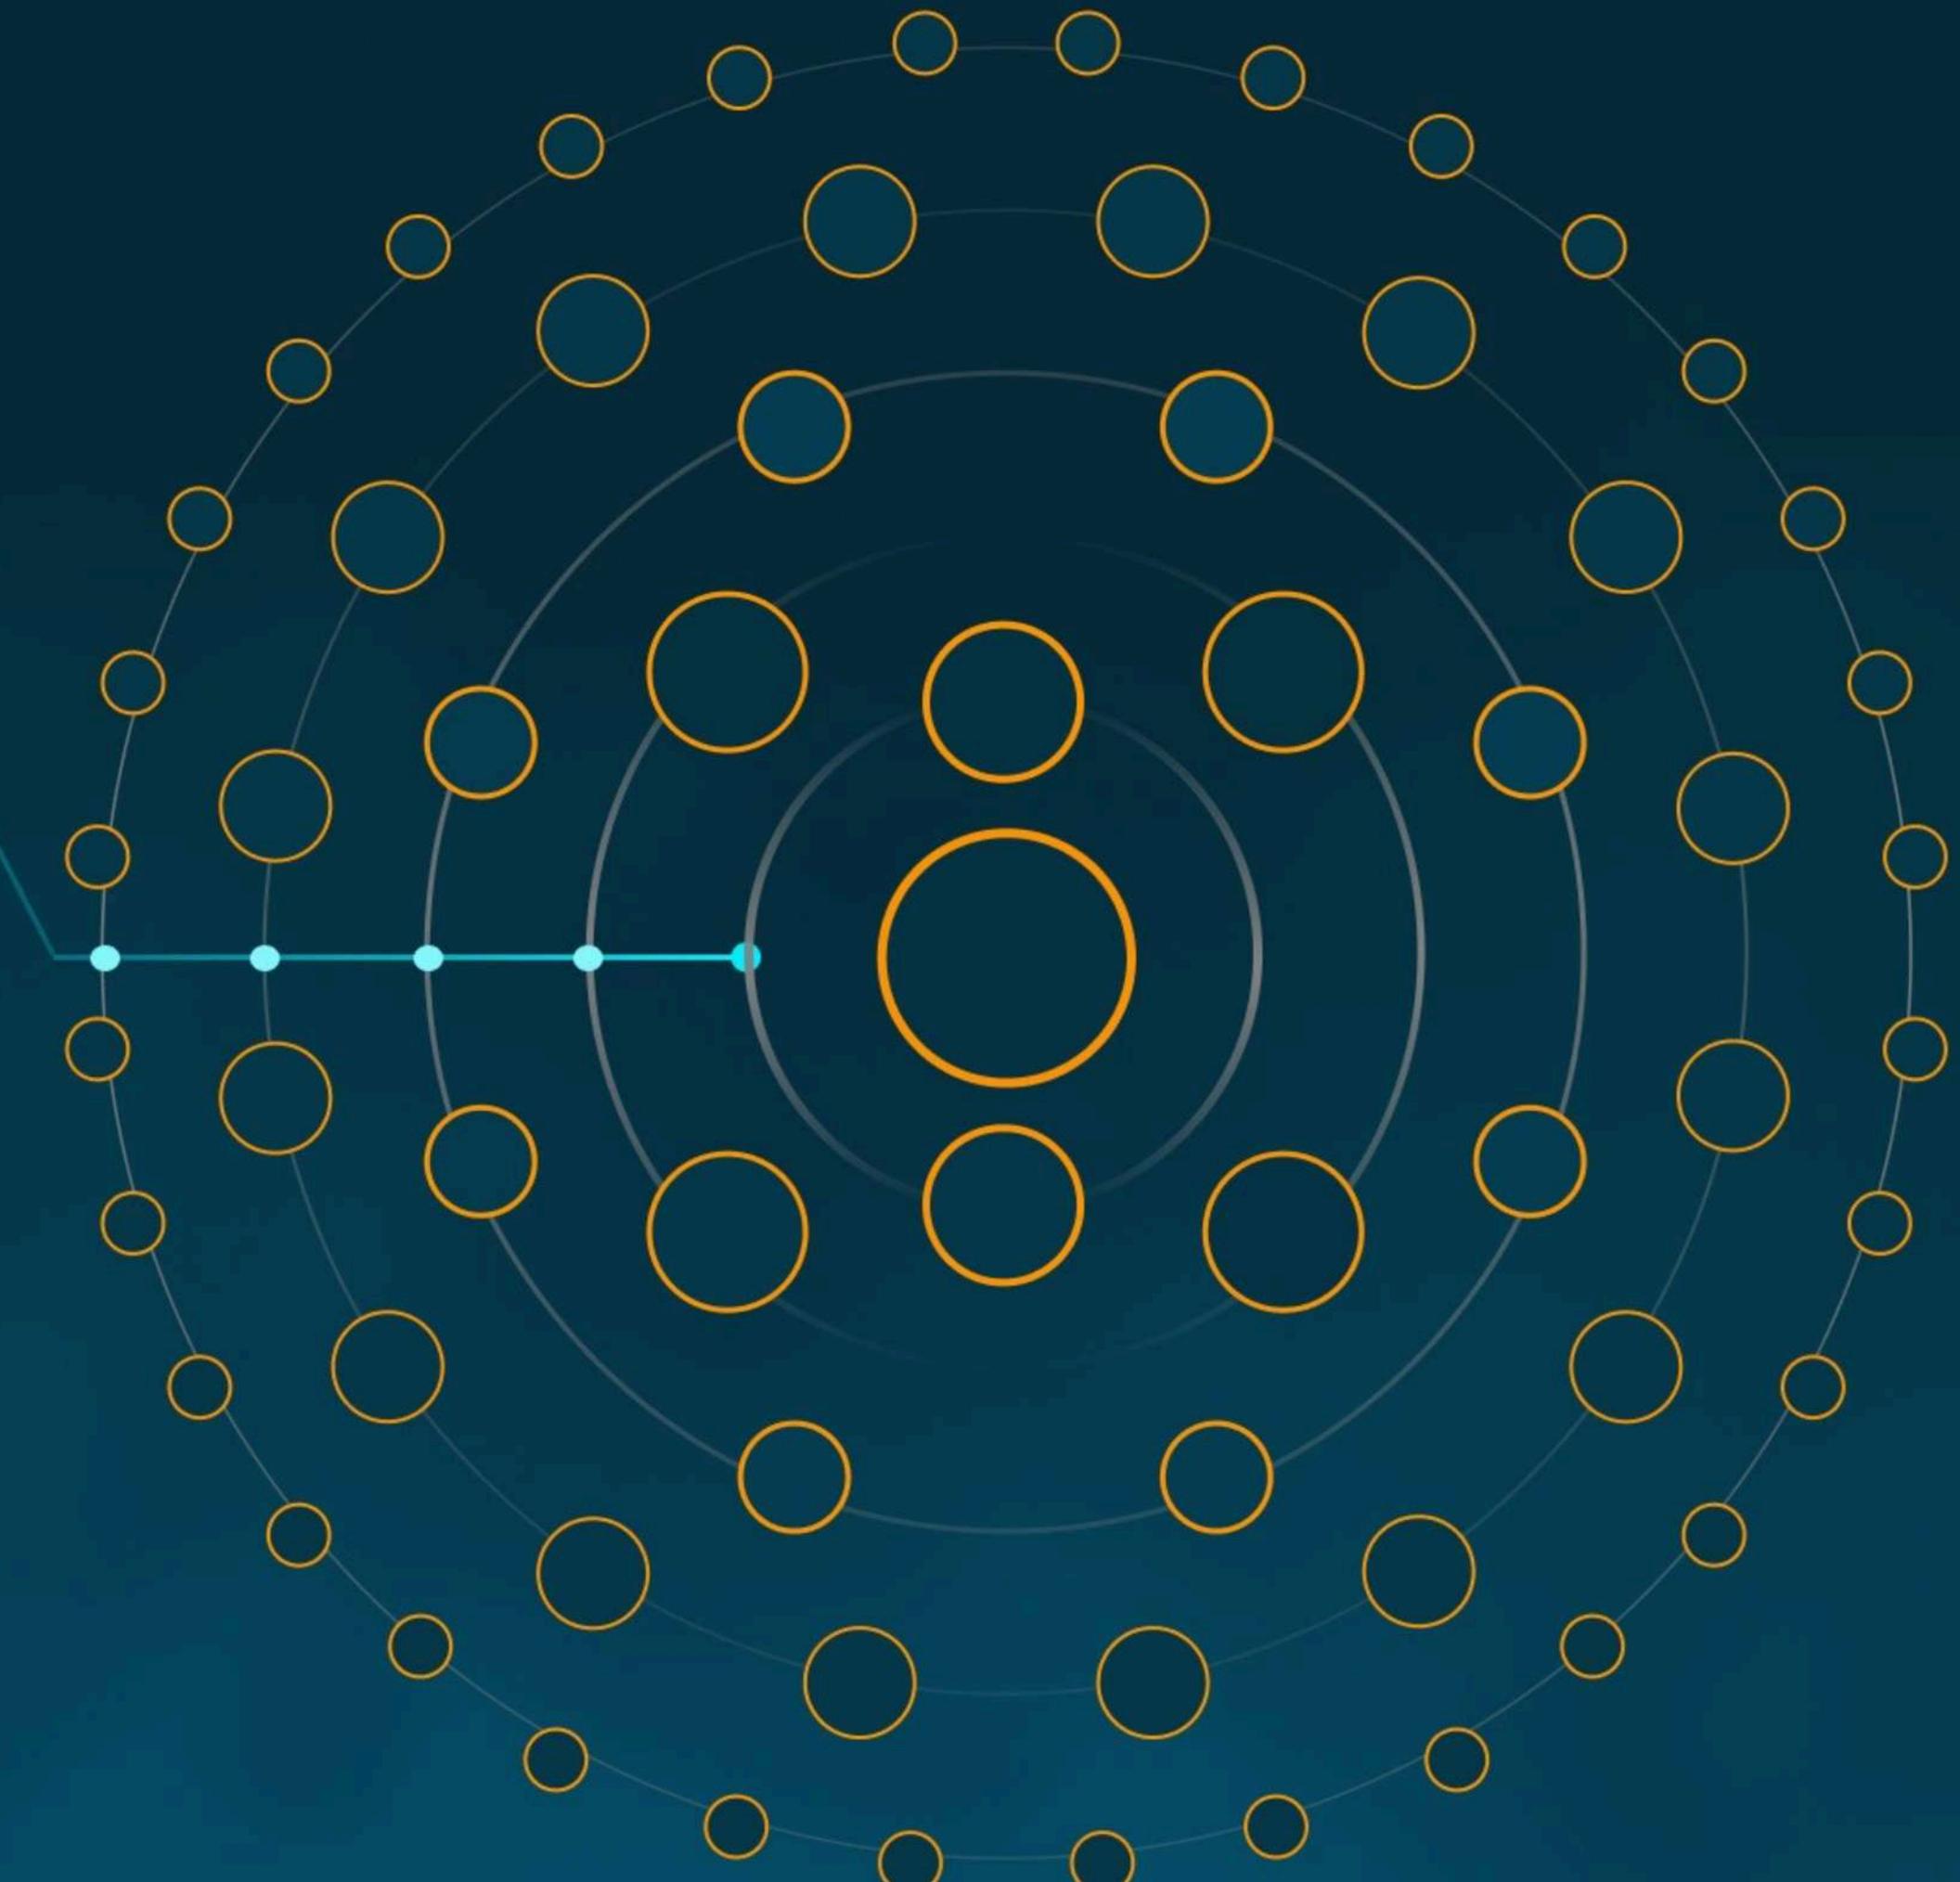

## COSMOS GRATUITY REVENUE

The Global Autopool Consist Of 5 Orbits. On Each CosMos Planet.

The Spot lines up on orbits only for those Global Participants who have the corresponding Cosmos Planets.

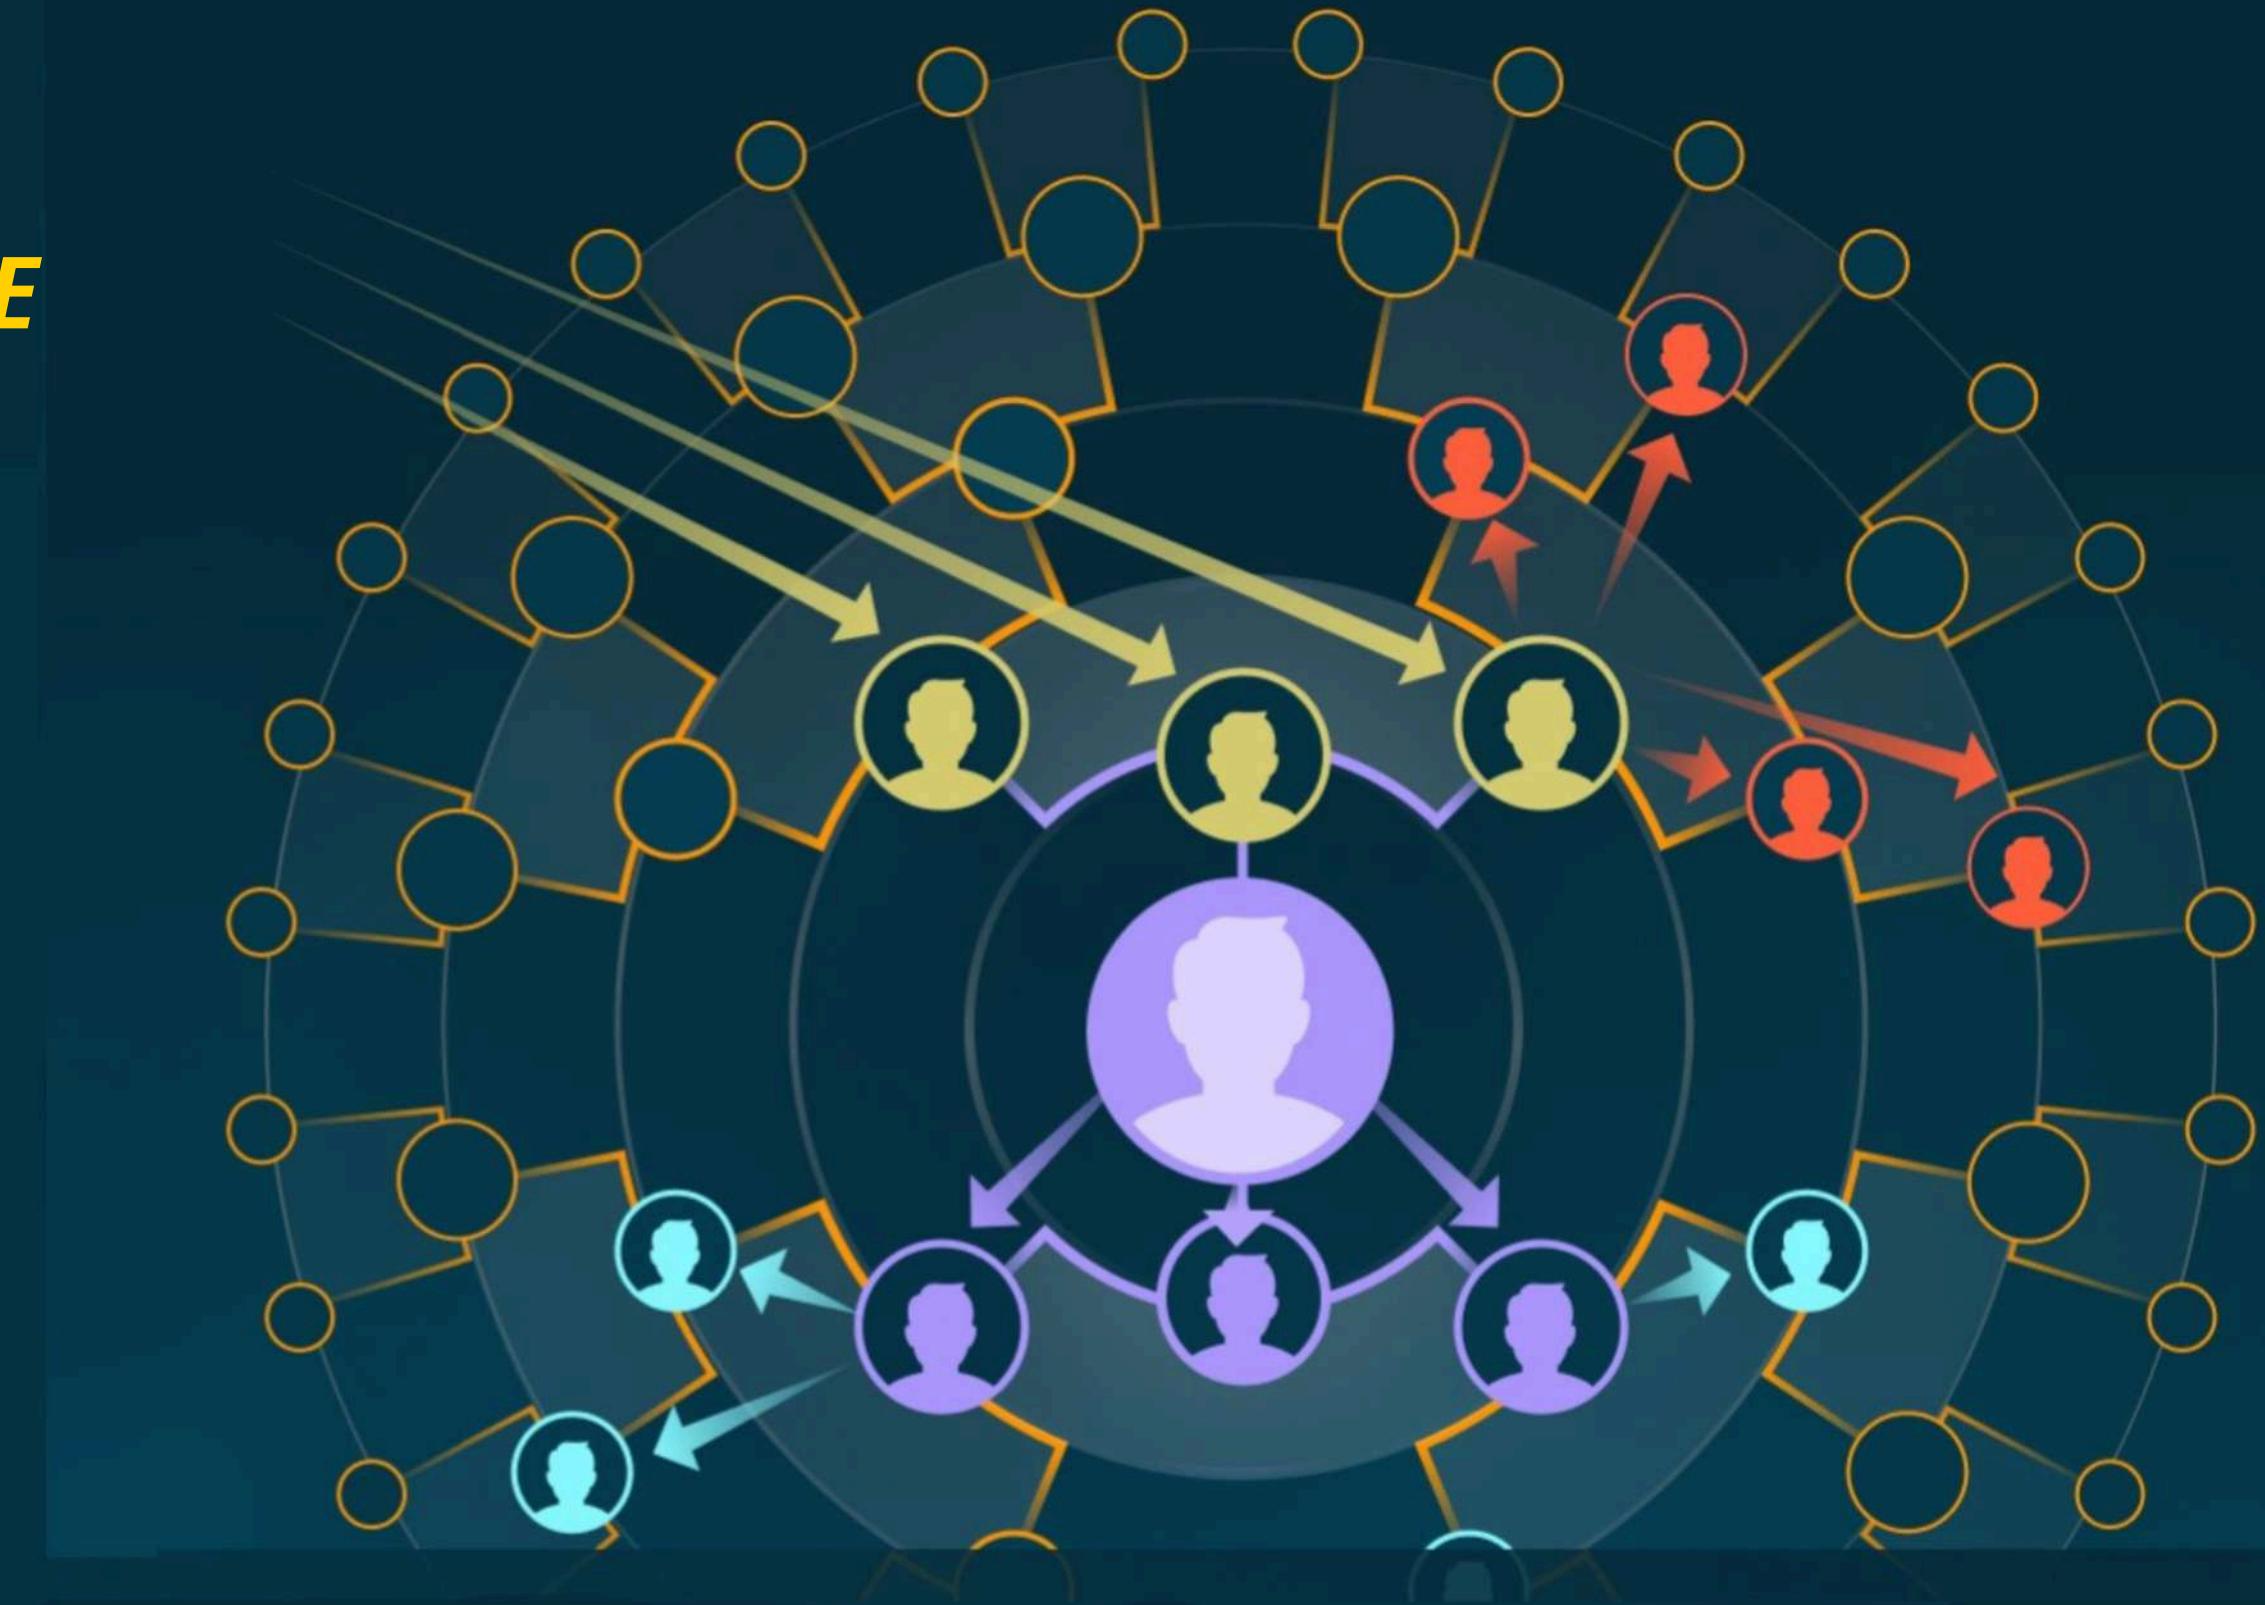

## GLOBAL SPILLOVER TO EVERY ONE

- Your Direct Believers Members
- Spillover from your downline team.
- Spillover from Upline
- Spillover from Cross leg team

You can fill in structures for yourself and each other with the whole global community. These are spillovers. For instance, your upline invited a participant to join your global matrix. There can also be spillovers from below if participants placed in your global pool invite others who also end up in your global gratuity revenue pool.

Working in a team with spillovers depends on your team, The Global Teams, and the Teams of your upline and downline partners. Nevertheless, the possibility of achieving success in developing your team is in your hands in any case.

## GRATUITY (PASSIVE) REVENUE FROM EACH TIER OF AUTO POOL STRUCTURE.

When other Believers fill your global matrix,  
you Receive From

1st Tier - 5.00%

2nd Tier - 10.00%

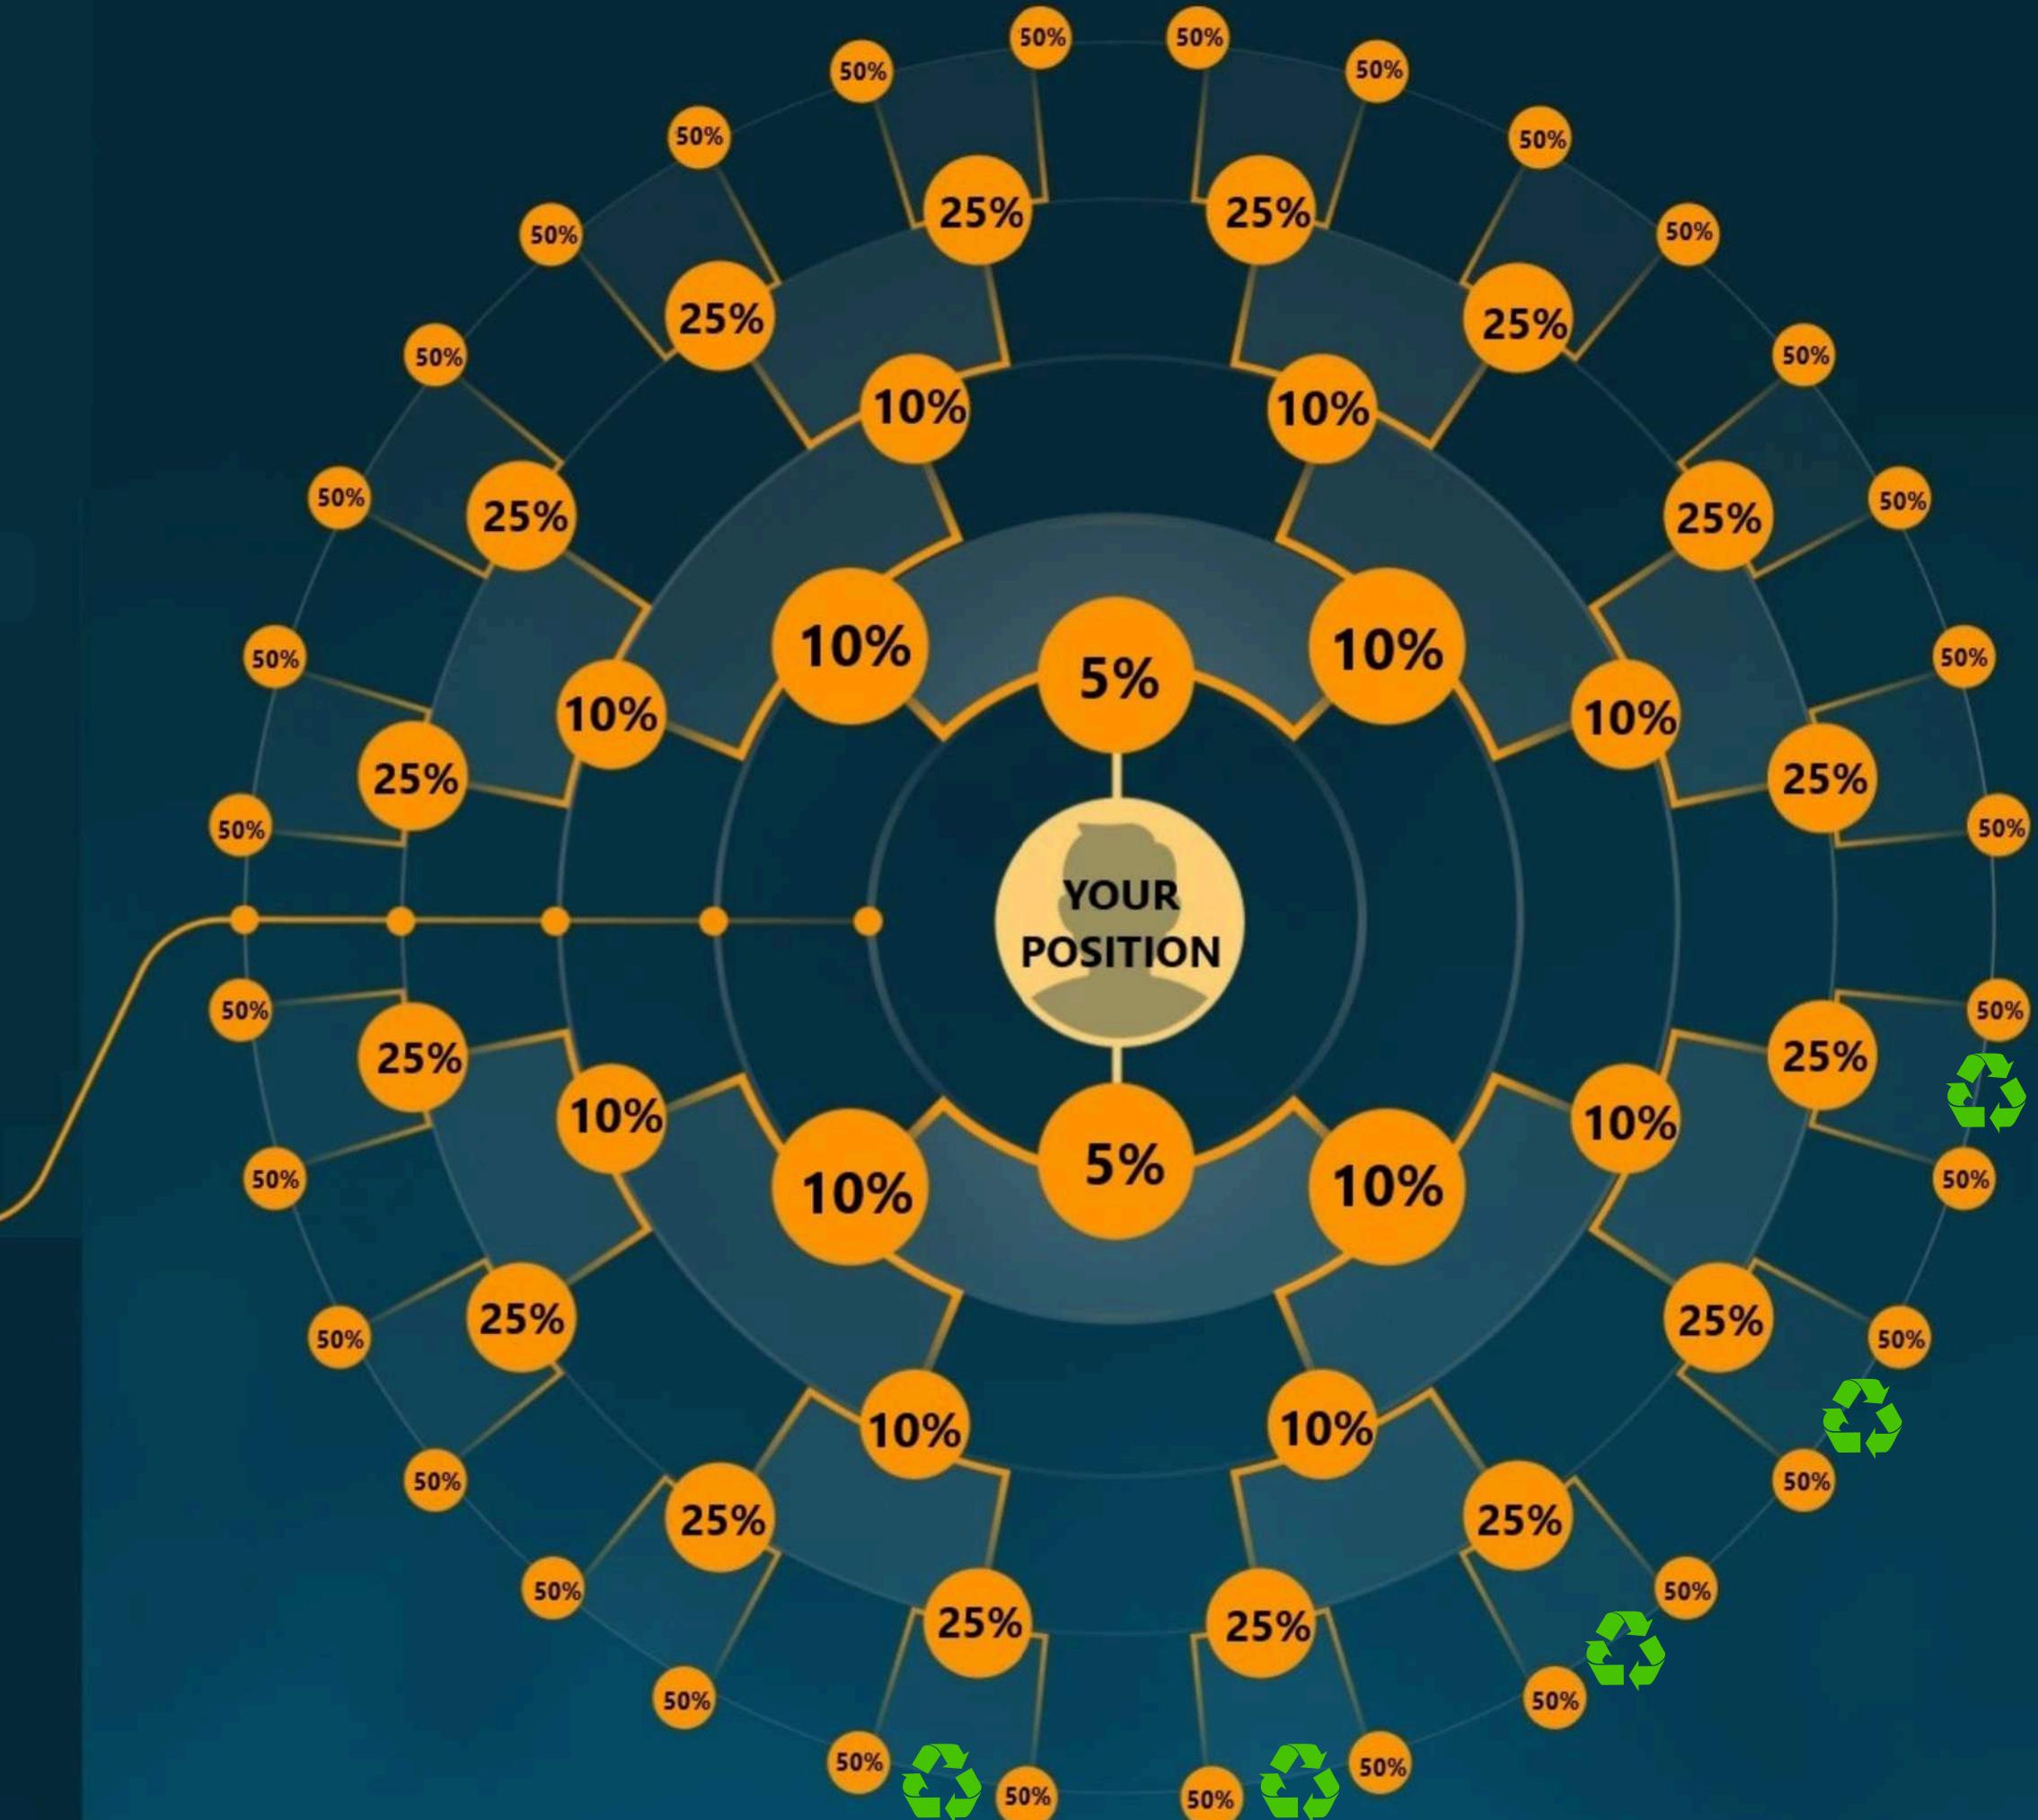

3rd Tier - 10.00%

4th Tier - 25.00%

5th Tier - 50.00%

From each of them up to the 5th Orbit.

The amount of Distribution in the Global Matrix from the 1st to the 10th Planet is 20% out of 100% From Each

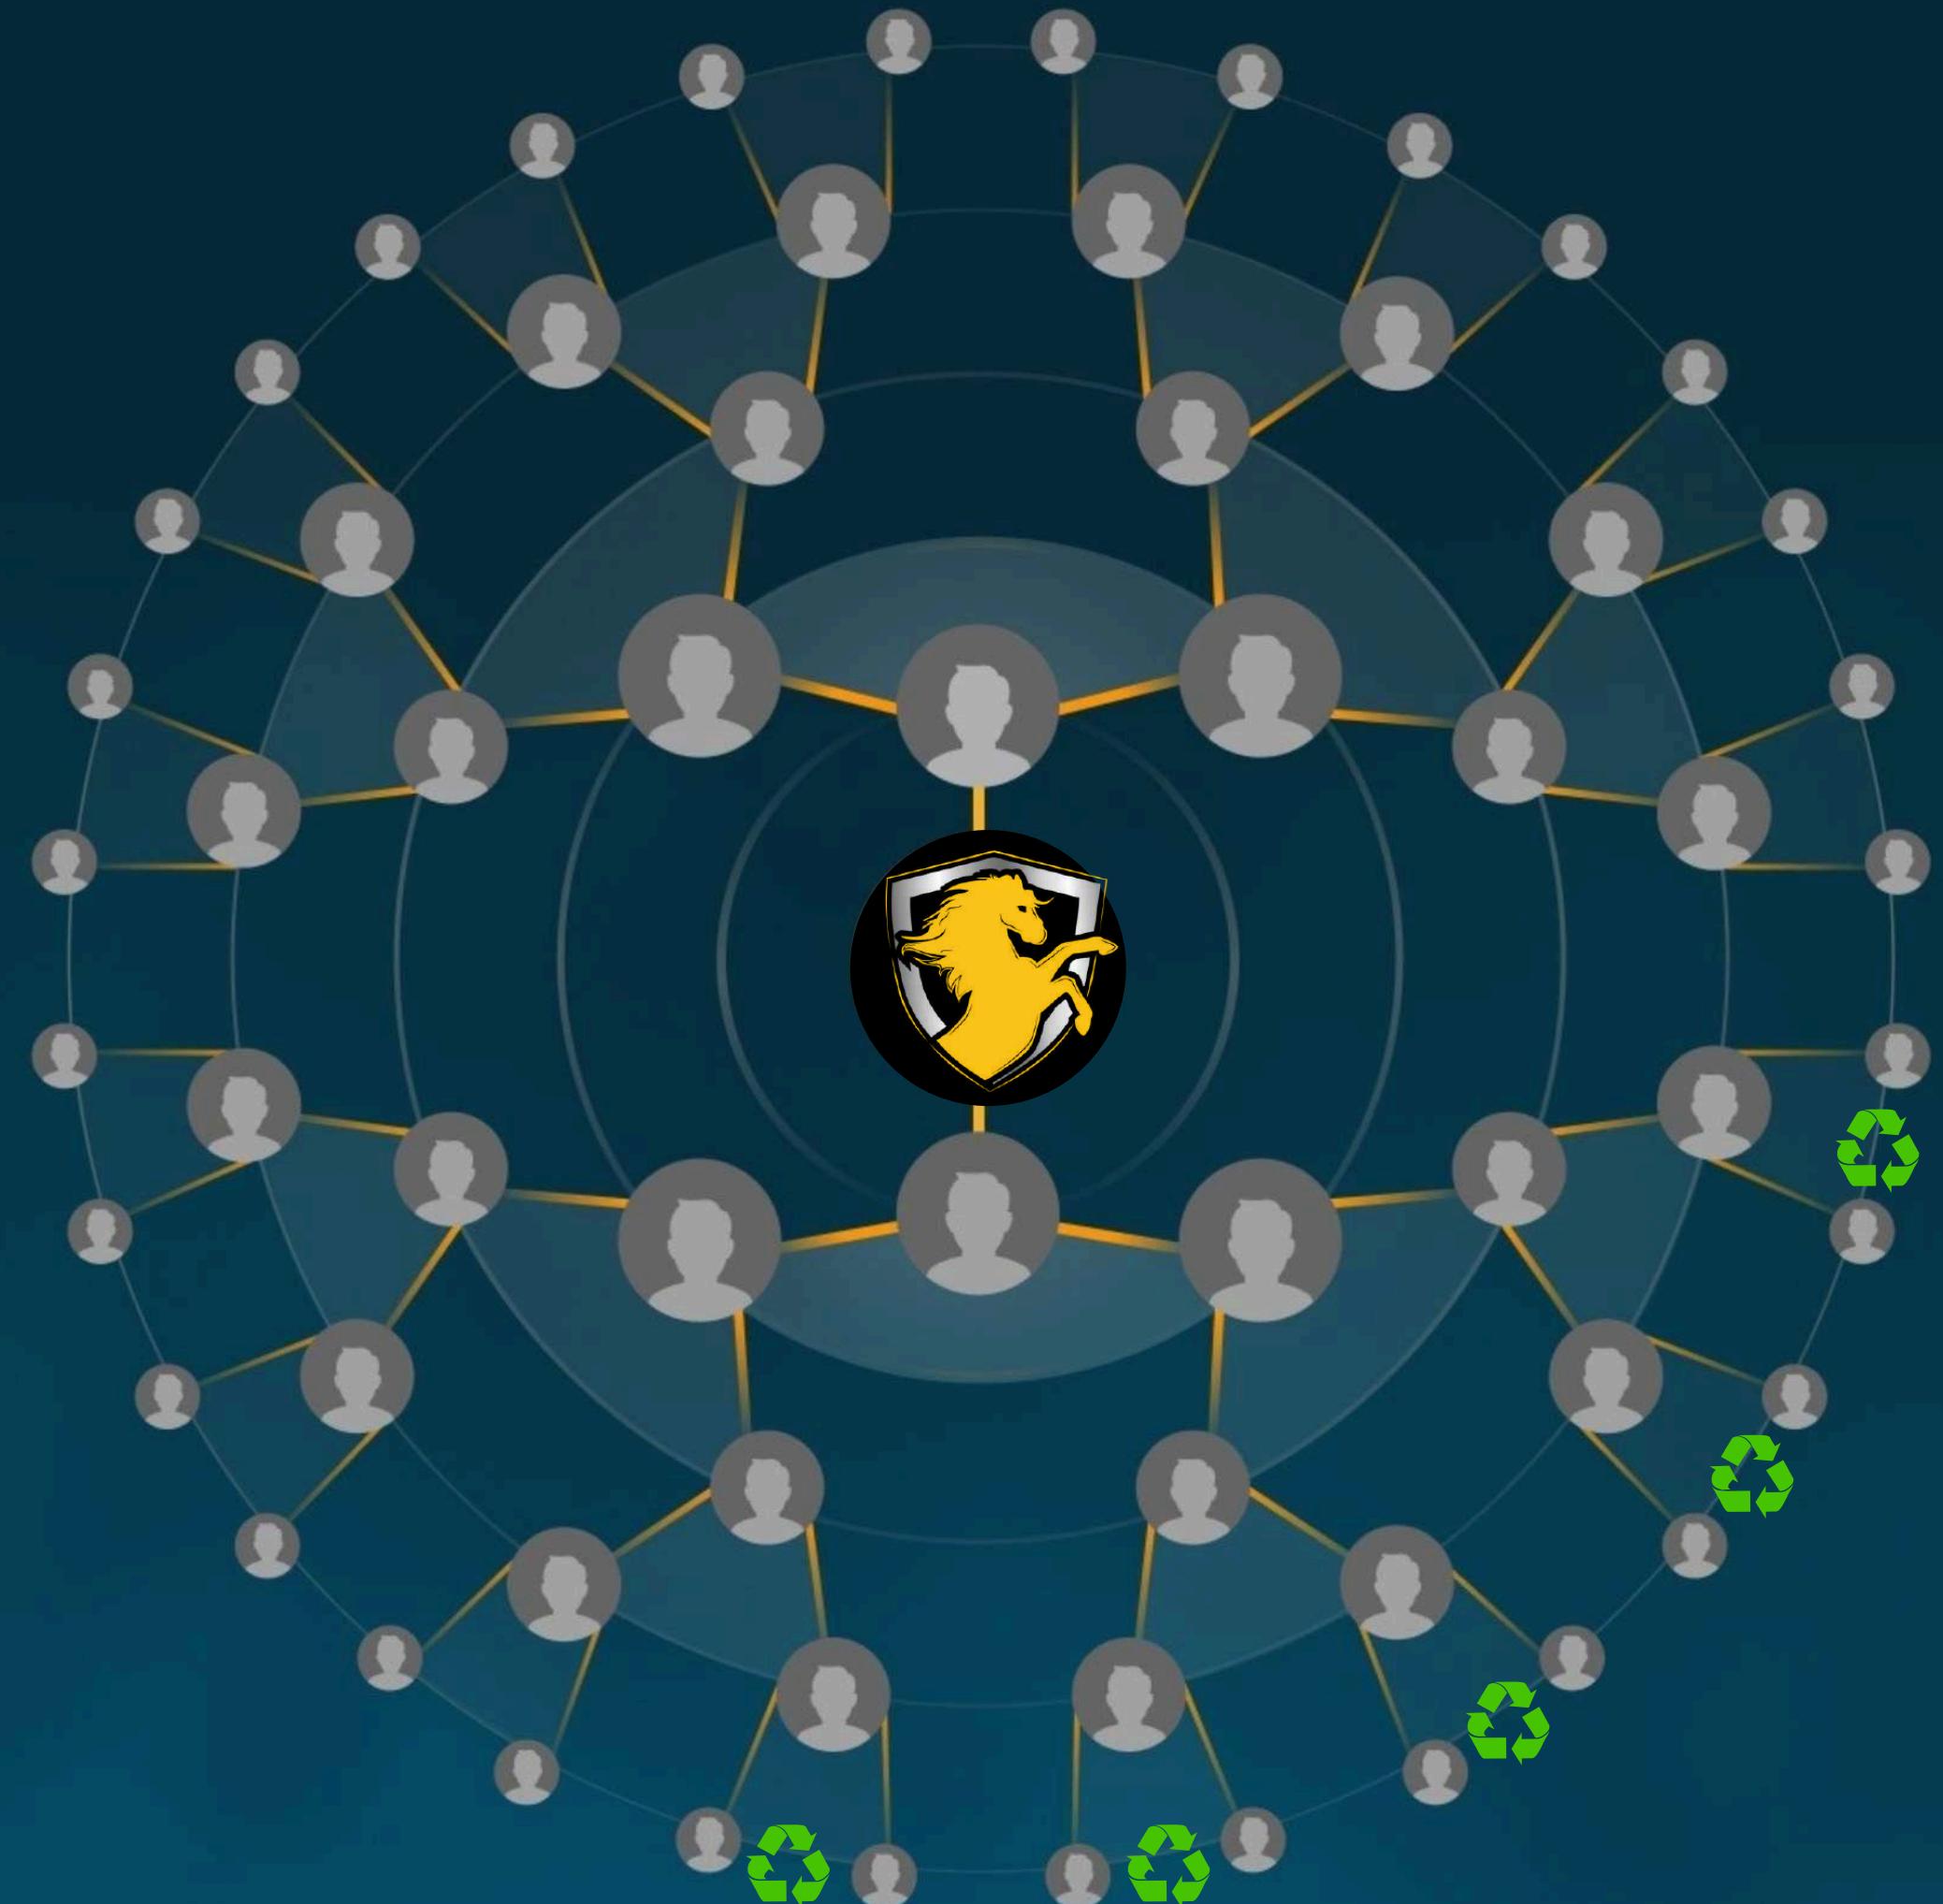

# **COSMOS NETWORK**

## **(Gratuity Revenue)**

### **GRATUITY REVENUE**

20% Of the 1st to 10th **CosMos Network Planet Packages** amount goes to fill the **Gratuity Revenue** Globally and Recycle Every time Automatically and infinity Time

**From All Planets -**  
The last **10 Payments** will go to Recycle  
Your new position

# GRATUITY REVENUE

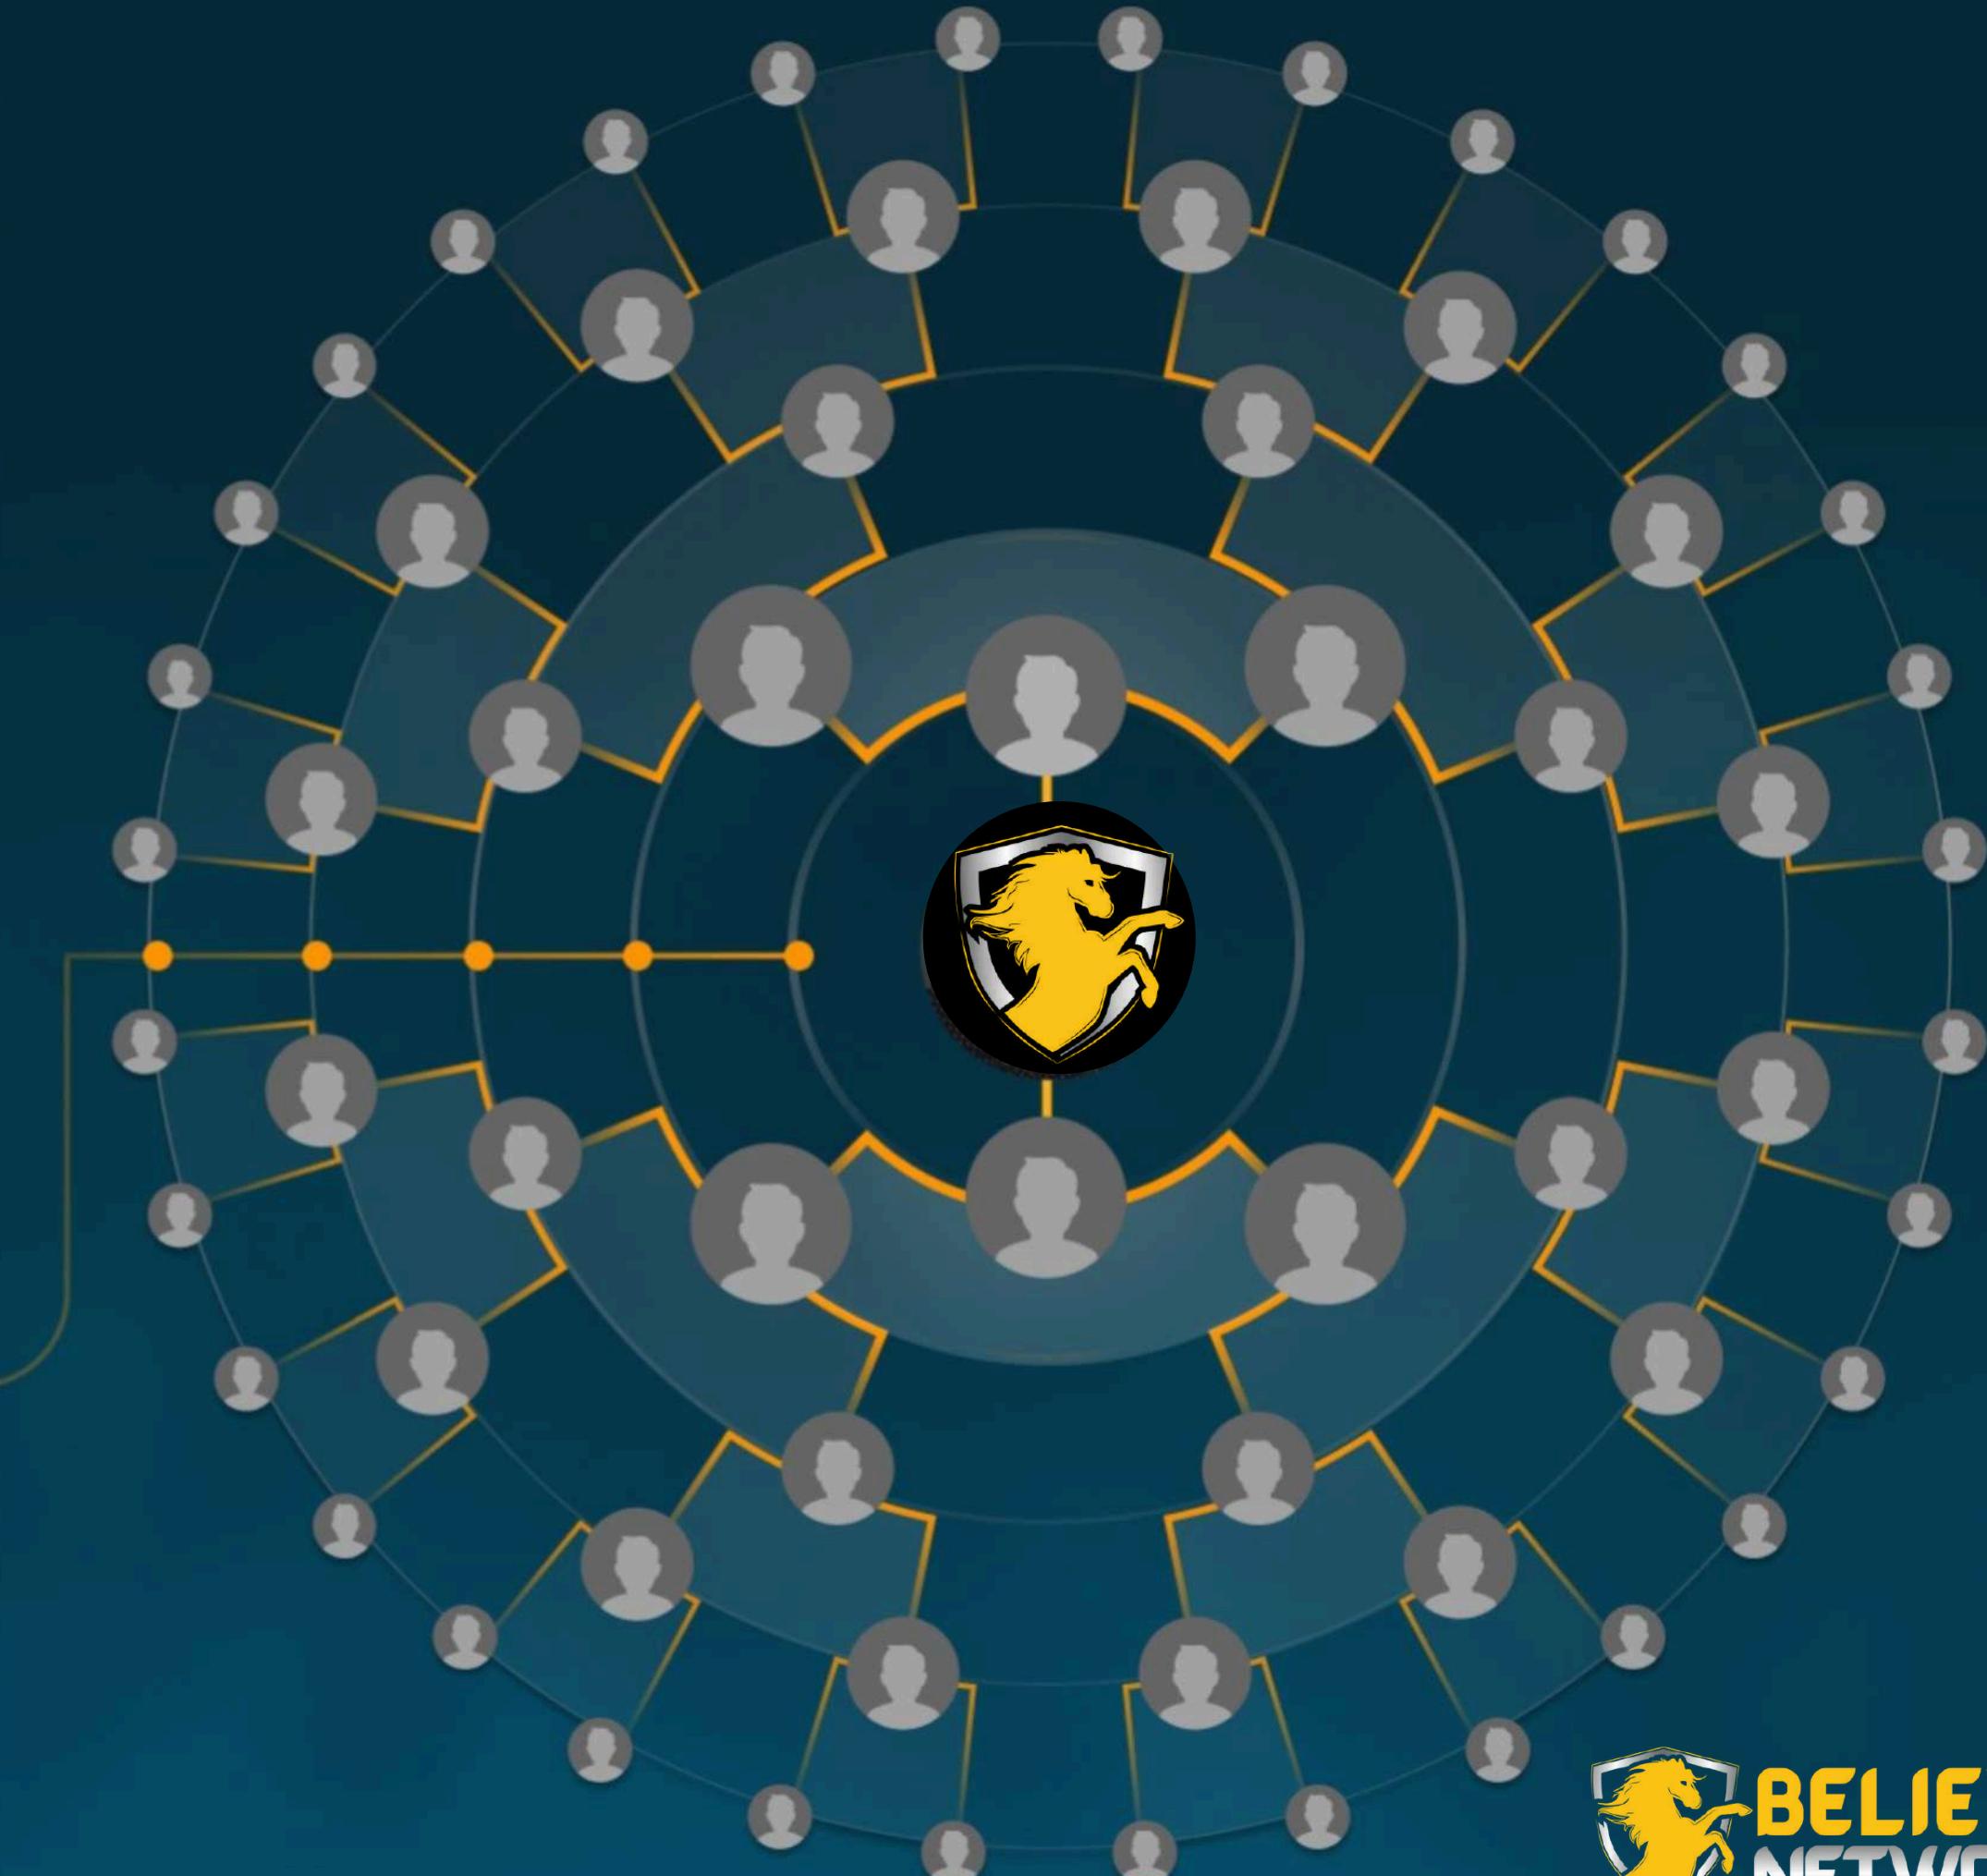

AT ALL TIERS

After you, all believers in your Gratuity Revenue Pool Activate all planets sequentially, and you have a simple global structure.

That is, 5 orbits deep correspond to 62 global people, and the profitability is **2130% Passively and Again and Again Infinity Time.**

62  SPOTS
